

Data collection statement

Dear BuiltHub Platform User,

We are excited to offer you the opportunity to contribute data to our web-based platform. As a responsible data controller, we take the protection of your personal data seriously and adhere to all applicable data protection regulations, including the EU General Data Protection Regulation (GDPR).

By submitting your data to our platform, you can help us to achieve our goal of providing high-quality, accurate and up-to-date information to our users. Please note that any personal data you provide will be processed in accordance with the GDPR and only for the purpose of providing the service.

We will collect the following categories of personal data:

- Name of the authority
- Contact person's name, email address and phone number
- Data submitted to the platform

We will store your personal data securely and will not share it with third parties, except where required by law. Your personal data will be kept for as long as necessary to achieve the purpose for which it was collected.

You have the right to access, rectify, erase, or restrict the processing of your personal data, as well as the right to data portability and to object to the processing of your personal data. You can exercise these rights by contacting us at [insert contact details].

Data Controller for the purposes of the General Data Protection Regulation (GDPR), other data protection laws applicable in Member states of the European Union and other provisions related to data protection is [Jose Manuel Garcia Martinez, builthub@nttdata.com]. The Data Protection Officer is [Miguel Caamaño Marquínez, data.protection.office@nttdata.com]

We appreciate your contribution to our platform and are committed to protecting your personal data in accordance with GDPR. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

BuiltHub Consortium
